Note: This directory does not include providers who are outside the Delta Dental network, are in-network but not currently accepting patients, or are the subject of sanctions imposed by the Department of Health & Human Services, Office of Inspector General. Delta Dental strives to maintain an accurate and up-to-date provider directory but it's always useful to verify the active status of the provider as demonstrated by a question regarding the network status of a specific provider who does not appear in the directory. For more information on the network status of a provider, please contact your Delta Dental administrator. Health care services provided outside the United States may not be covered by your plan. Please contact your benefits Administrator to verify coverage.
