

How to apply for the GIS Certificate

1. Go to https://secure.touchnet.com/C21099_ustores/web/classic/index.jsp

2. Under All Stores, select "Certificate Completion Application".

3. Add the \$15 Certification Completion Application to your cart, follow the steps until you get to a page that asks for your first name, last name, M number, etc. Fill it out. Make sure that you put in the term/year you complete the certificate courses, and select the correct certificate (see next page).

4. Select " " from the dropdown list. And continue to complete the process.
5. After that, complete the Undergraduate Certification Program Form on the next page. List EES 202, 512, 521 and an elective (BIO 240, EES 305, 507, etc.) on the Form.
6. Sign and send the form to Dr. Zhang.
