Using Consent to Release Information on the Teaching/Advising Tab

The Family Education Rights an Privacy Act (FERPA) affords students certain rights with respect to their education recommon State University on By release "directory information" on a student. MSU has defined directory information as:

- Student's næm
- Addresses & phone listings
- Campus email address
- · Date and place of birth
- Fields of study
- Participation in officially recognized activities and sports
- · Weight and height of members of athletic teams
- Dates of attendance
- Enrollment status (including if not part time, not enrolled)
- Degrees (pending and awarded)
- Awards or honors received
- Most recent previous educational institution attended
- Studens photograph

Students may allow a staff or faculty member of MSU to release confidential information (i information not found in the directory information list) by completing an hoiseline form. online release is a "consent to release student information."

Students have the option to release all their confidential information or only certain types of confidential information (fixed aid, billing/account, academic/education, disciplina conduct information). They also may choose who it can be necessary described the consent, a student must provide a signed release in myGate (Academics tab) with a securit question and answer. Releases remain active until the student revokes his/her consent.

How can I, as an MSU employee, use this information?

If a student or his/her family member contacts you via phone or email asking about confident information, you cannetus it before completing the following steps:

- (1) Search for the student on the Teaching/Advising tab.
- (2) Check to see if the student has a green "yes" next to 'Info. Release Consent'.

- (3) Verify the student is allowing you to release the information being request about grades, the student must have the statement "authorizing ... academic..."; if asking a financial aid, the student must have the statement "alimbor/zietgchil
- (4) Verify the person requesting the information is on the authorized list.
- (5) Ask the requestor the security question. DO NOT GIVE THEM ANY HINTS TO THE ANSWER4 ymtcingsi4se-1 (c)4 (i)-2 (a (on i (on i)-1 (o-2 (he)43)2e)4 (-1 (-2 (he, o-1 ()n)-
